AUTHOR'S NOTES:

This is an index of the divorce cases that were settled in Hendricks County courts, as mentioned in the Hendricks County Circuit Court order books volumes 1 through 132 (which cover 1824 to 1989) and the Hendricks County Court of Common Pleas order books volumes 1 through 9 (which cover 1853 to 1873).

This index does NOT contain any divorce cases that were settled in the Hendricks County Superior Court, which began in August 1963 and continues to the present day. The order books for the Circuit Court and the Court of Common Pleas have been digitized and are available online via the Archives section of the Hendricks County government's website (<http://www.co.hendricks.in.us>).

This index does NOT contain all the information that was included in the order books about the divorce case. You should look at the entries in the order book for the details about the divorce case, and also contact the Hendricks County Clerk's Microfilm Department to request a search for information on the divorce case. The Hendricks County Clerk's Microfilm Department is located on the second floor of the Hendricks County courthouse in Danville, Indiana and can be reached by phone at (317) 745-9800.
