owing to circumstances unknown. Many of our friends who had been invited to be with us failed to come. The Rev Mr Tracy being absent - was called upon and republished in delivering a splenetic talk - in language that won the approval of the audience - Rev Stewart arriving late - gave another short-talk that was excellent. The Sermons of Brigdell & Sym 5th & 8th Post - will edify a very warm divine appreciation of the kindness of those who contributed to make this occasion one of real enjoyment - especially as they feel they owe Mrs Brewster & Rowman a debt of gratitude for their many acts of kindness.
