

GENEALOGY
of
THE JOHN NEWMAN FAMILY

1936
Revised 1961

John Newman of New York

FOREWORD

With the kindly help of the children and grandchildren of John Newman, to whom I wish to express my deep appreciation, I have been able to collect the following genealogy of the Newman family. It is my hope that this record will prove a source of information and a pleasure to those into whose hands it may fall. If the work thus serves a purpose, I shall feel amply repaid for the effort it has cost.

Sincerely,

Mabel M. Johnson
(1877-1938)
