## The History of my past life

I was born on a farm half a mile south of Baltimore July 2 1861 my father owned the farm at the age of 8 months old he sold the farm and moved 2 miles west of old Belair where he bought a other farm of 85 acres. we lived there a short time he took sick, died the 17 day of in ten days after my father died Joe Leitch died after my father died. My mother worked very hard to support us there was six of the children Cal, Mary, Bill, Sammie, Jimmie and myself. little Jimmie died at 3 months old. when I started to school I was 7 years old my teacher was Theo Gilland I thought he was all ok for a teacher the next teacher was Mr. Boisen. My last teacher was Mr. Thompson from Mrs. Roseville I was 15 then when I quit school as I had to get out and make my living by working by the week I wish my wages I was not very much at that time. \$1 dollar a week we could buy more those days with 1 dollar. I can say to day with 3 dollars.

**"LOYAL HEARTS"**

There are loyal hearts, there are  
spirits brave,  
There are souls that are pure and  
true;  
Then give to the world the best  
you have  
And the best shall come back to  
you.

Give love, and love to your heart  
will flow,  
A strength in your utmost need;  
Have faith and a score of hearts  
will show  
Their faith in your word and deed.

For life is the mirror of king and  
slave,  
'Tis just what you are to do;  
Then give to the world the best  
you have,  
And the best will come back to  
you.

by R. B.

**"ROMANCE"**

A moonlight nite  
A little ride  
A good looking man  
By your side,  
A kiss in a doorway  
A fleeting smile  
A lingering good-bye  
For a little while.  
Maybe a song  
And then a dance  
This is what is  
Called romance.

The inquest, started here was halted when it became known the shooting occurred about 30 yards west of the bridge, and hence in Lake County. An inquest has been called for tomorrow at Altoona.
