Dear Ruth:

I was so glad to receive your letter and to find out about your findings on Moses Parks. I do have one question that I can not understand at this time though. How did my letter addressed to the Indiana State Board of Education get to you? Do you work for them or what? I will be more than glad to reimburse you for your researching to.

Enclosed you will find a copy of everything which I have on Moses Parks. Where there is more than one Moses Parks mentioned I will underline my Moses Parks. Ruth since you are right there in Hendricks County, Indiana I was wondering if you would spend some time on this and see if you can come up with something for me. I will be glad to pay for your time and searches.

According to the census records which I have I feel quite certain ~~that~~ the Moses Parks Jr. is my Moses Parks and that Moses Parks Sr. is his father. My Moses Parks was born in Kentucky though and came to Indiana at a later date. What we really need on this Moses Parks is his birth place in Kentucky and his mother and fathers name.

Another reason why I feel that my Moses Parks' father was also named Moses Parks is because he had a son by his second marriage by the name of Moses Boston Parks. My Moses married (the second time) a woman by the name of Lucinda Nausler, and we know that Moses Boston Parks was named after her father who was Boston Nausler. From this I feel that it could be possible that Moses Boston Parks was named after both of his grandfathers.

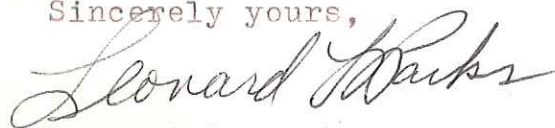

This has been a real hard line for my family to follow and find anything on because all of our family records have been lost or destroyed and we have no records of this man except for one picture. We do know though that the Parks' originally came from England and settled in Virginia. While in Virginia one of the Parks boys was a surveyor with George

Parks Family

Washington. After Virginia they must of settled in Kentucky and then in Indiana. From Indiana they went to Iowa, Colorado and further west. Both Moses Parks and his wife Lucinda Nausler is buried in Gravity, Taylor County, Iowa in a cemetery by the name of Dallas Center Cemetery. I also know that at least ten of Moses Parks children was born in Hendricks County, Indiana. Moses parks had twenty-three children by his two marriages.

Please check what ever records that you feel that you might find something on this family in and send me a copy of it. Also send me what ever your costs are on this and I will send you the money. Let me know if there is any other information that I can send you or any questions that I can answer for you.

Sincerely yours,

A handwritten signature in cursive script that reads "Leonard Parks". The signature is written in dark ink and is positioned above the typed name.

Leonard L. Parks
