Walter Asbury Rushton was born in 1874 (see chart) on a farm originally known as the Rushton homestead-----about four miles south of Belleville Indiana. His father, Ira Rushton was also born on this farm. Whether this land was first homesteaded by the first, or second, William Rushton shown on this chart I do not know. I do know that the first Wm. Rushton shown here (the one born in England) settled in North Carolina when he first came to America-----and that he had nine children.

Walter Asbury Rushton was third from the youngest of ~~thirteen~~ 14 children born to Talitha Bray Rushton and Ira Rushton. Since there were several other brothers to help with the routine farm tasks he was, even as a very young child, most often to be found in the forests and fields with his gun, hunting wild game-----and also with his fishing rod (POLE I suppose it would have been in those days) on the streams and rivers. He became a very knowledgeable Naturalist and pursued those interests until his death at the age of 93. He was a Funeral Director for 4 years in Indianapolis and for 46 years in Plainfield Ind. He also managed his wife's 189 acre farm (which was located about 4 miles east of the Rushton farm. He retired in 1950 and he and his wife, Cophine Mills Rushton spent the winter months in Florida---occasionally in California

Dear Mrs. Pritchard:-

I am sorry, but can only give you a part of the information you seek. wish I did have it, but am very glad to go along with you as far as I can.

Grandfather's fathers name was also Wm. R. and his ~~mother's~~<sup>mother's</sup> maiden name was Mary Dourghty; Grand Father was born in North Carolina in 1810, I do not have the exact date or the county.

He came to Indiana in 1829, settling upon the land where the old homstead now stands, and afterwards buying land as per your discriptions and others until he had at one time 720 cares.

He was married to Mary Norman in 1930 and they had nine children viz. Henderson, Ira, Elizabeth, Thomas, Matilda, William A., Mary. Joshua and Enoch. He gave to each son, when married, 80 acres of land and to the daughters the equivalent of 80 acres in money.

Grandfather Rushton died in 1884, I do not have the exact date but was in March, and I was just 10 years old, so can't remember too much about him, but do remember that he gave me quit a good larrupting one time for syealing honey.

He was married three times, second wife Barbara Secrease (Lived together 3 months) and 3rd wife Katherine Marker and they had three boys. Bedford, Charles and Burton.

Very Truly Yours,

*W.A. Rushton*
