

COPY OF SHERRIFF FAMILY RECORD.

The following family record of the "Sherroff Family Record," was gathered mostly through correspondence, covering a term of years, by William Emory Sherroff, a great grand-son of Kasper Scherffig, who was the first of the name in America and who arrived A. D. 1761. He was born in Saxe Coburg Gotha, Germany, March 13, 1733, sailed from Rotterdam, Holland, early in 1751, arriving at Philadelphia September 14th, 1751. He came in the ship "Duke of Bedford," Capt. Jefferson. He signed his own name in the list of passengers. This account is found in the Archives of Pennsylvania.

On December 13th, 1758, he was married to Magdalena Heilmann, who was born in this country. They lived on a farm at "Meadow Brandt," a tributary of Big Pipe Creek, in Frederick County, Maryland. To them were born fifteen children, eight sons and seven daughters. Their names are recorded in the Old Family Bible, written by Kasper Scherffig in German. Five daughters and five sons survived and married. For history of this Bible, see below.

Kasper and Magdalena Scherffig lie buried in the Dunker Cemetery seven miles south of York Road in Frederick County, Maryland.

The written records of the ten surviving children of Kasper and Magdalena (Heilmann) Sherroff begins with the oldest son, Johannes, following his descendants to the seventh generation. Then takes up the family record of the second son, Abraham; likewise the third son, Jacob; then Benjamin and finally the fifth and youngest son, Joshua, thus giving the record of all so far as it has been possible by correspondence to obtain them. Nearly all personal history has been cut out of this copy in its limited space.

WM. EMORY SHERROFF.

N.B.) The red figures denote to which generation the several names belong and the small figures in front of each name as to their number in each family record, followed by Birth, Marriage and Death.

History of Bible.

Kasper Scherffig's old German Bible, printed at Germantown, Penn., (a rare edition) in 1776 came into my possession as follows:--

On the death of Kasper and Magdalena Scherffig, their youngest son, Joshua Sherroff, came into possession of the Bible in 1833 and as he had no grandsons bearing the Sherroff name, he gave it to his nephew, Solomon Sherroff, thence to his youngest son, Wm. Emory Sherroff.

On the flyleaf of this Bible is written in German, by Kasper Scherffig a complete family record, a translation of which begins as follows:--

"On December 13th, 1753, I was married. I was 23 years, 9 months old. Magdalena was 20 years, 5 months old.

1760 on November 30 my daughter Katherine was born."

Thus each of the fifteen children's births are recorded, within eighteen years, five of whom died in infancy.

See family record page, 2, as follows.

The following family records were gathered during several years of correspondence by Wm. Emory Sherfey, a great-grandson of Kasper Scherfflig, and who at this writing has in his possession the old Family Bible of Kasper. Upon the flyleaf is the following family record written in German by Kasper Scherfflig.

The "Plumb Run," known in history as "The Valley of Death," where it is said was the greatest number slain in one place on the "Gettysburg Battlefield".
