

THE WOOLMAN FAMILY

This is the geneology of my branch of the Woolman Family. I have copied it from an unpublished geneology of many other branches of the Woolmans collected and prepared by Marietta Ross Tanner Moore.

Marietta Moore's book is a prized family treasure, but I would be happy to share the information in it with anyone who is researching the Woolman family.

In compiling the list which follows, I have underlined the person in each generation from whom I am descended.
