From Bess McElroy, Mabel and Minnie

Dear Mamie,

I hope this letter finds you well and happy. I heard from Mrs. Johnson last week and she said she was in the hospital. She didn't mention how long she would be there, but I'm sure she will be back soon. 

The weather here has been quite pleasant, not too hot yet. I've been spending some time outside, reading and enjoying the fresh air. The flowers in the garden are blooming, and they smell so nice.

I miss you and the family. It's been a long time since we had a letter from you. How is everyone doing? I hope everyone is healthy and doing well.

I'll write more soon. Take care of yourself.

Love,

P.S. Please write back and let me know how everyone is doing.

Dear [Name],

I'm writing to let you know that the 15th of October is very important to me. I've been preparing for this day for quite some time, and I wanted to share it with you.

This is the day when we celebrate the 150th anniversary of our organization. It's a special occasion, and we have planned many events to commemorate this milestone.

I hope you can join us to celebrate this important day. It would mean a lot to me if you could be there.

Best regards,

Virginia League Post 186, H.O.R.

The usual small membership of the Post met at the home of Wm. Douglas, namely; members Douglas, Haydon, Johnson, and the eight comrades that are members. There are not living in our Plainfield and have proper excuse for non attendance. The remaining nine comrades were present at every Post meeting, yet seldom attended. It is the intention to maintain the organization of the Post as long as a comrades is living. Those comrades who do not feel interest in the Post sufficient to attend the meeting do not feel the tie of comradeship that is the result of long years of service. The purpose of our Post meetings are social and business. The Post will meet on Saturday the 27th of Dec at Lewis Dough's home.

January 1944

On board the ship, the crew is thinly spread, with a mix of personnel from different parts of the line. Little is known about the role of each individual, but it is clear that everyone is prepared for the mission.

The war is far from over, and the ship is equipped with all the necessary gear to face whatever challenges may arise.
