

**List of Voters in
Hendricks County,
Indiana
(November 1860)**

**Transcribed by
Meredith Thompson, 2012**

This is a transcription of the lists of voters in Hendricks County, Indiana for an election held on Monday, November 5, 1860 to elect the President and Vice President of the United States

The lists of voters were compiled for each of the 11 townships that existed in Hendricks County at the time (Lincoln Township did not exist yet). The voting places were listed as:

- Brown Township: Brownsburg
- Center Township: Danville
- Clay Township: Springtown
- Eel River Township: North Salem
- Franklin Township: Stilesville
- Guilford Township: Plainfield
- Liberty Township: Belleville
- Marion Township: New Winchester
- Middle Township: Pittsboro
- Union Township: New Elizabeth
- Washington Township: Center Schoolhouse

NOTE: Several of these lists were very difficult to read, and this is only one person's interpretation of the handwriting.

Some of Hendricks County's early voter lists have been microfilmed; that microfilm is available at the Indiana State Library, as well as through the Family History Library. Copies of the November 1860 voter lists are in the collection of Plainfield Public Library.
