FUTURE TEACHERS ASSOCIATION OF AMERICA

VAN BUREN ELM CLUB

The F. T. A. is associated with the Indiana State Teachers Association and the National Education Association. In high school F. T. A. groups are called clubs; college groups are chapters.

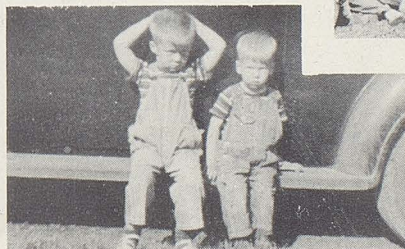

The purpose of the F. T. A. is exploratory, pre-vocational, and character-forming. The F. T. A. program is an evaluating one, each club will grow according to the effort of its members.

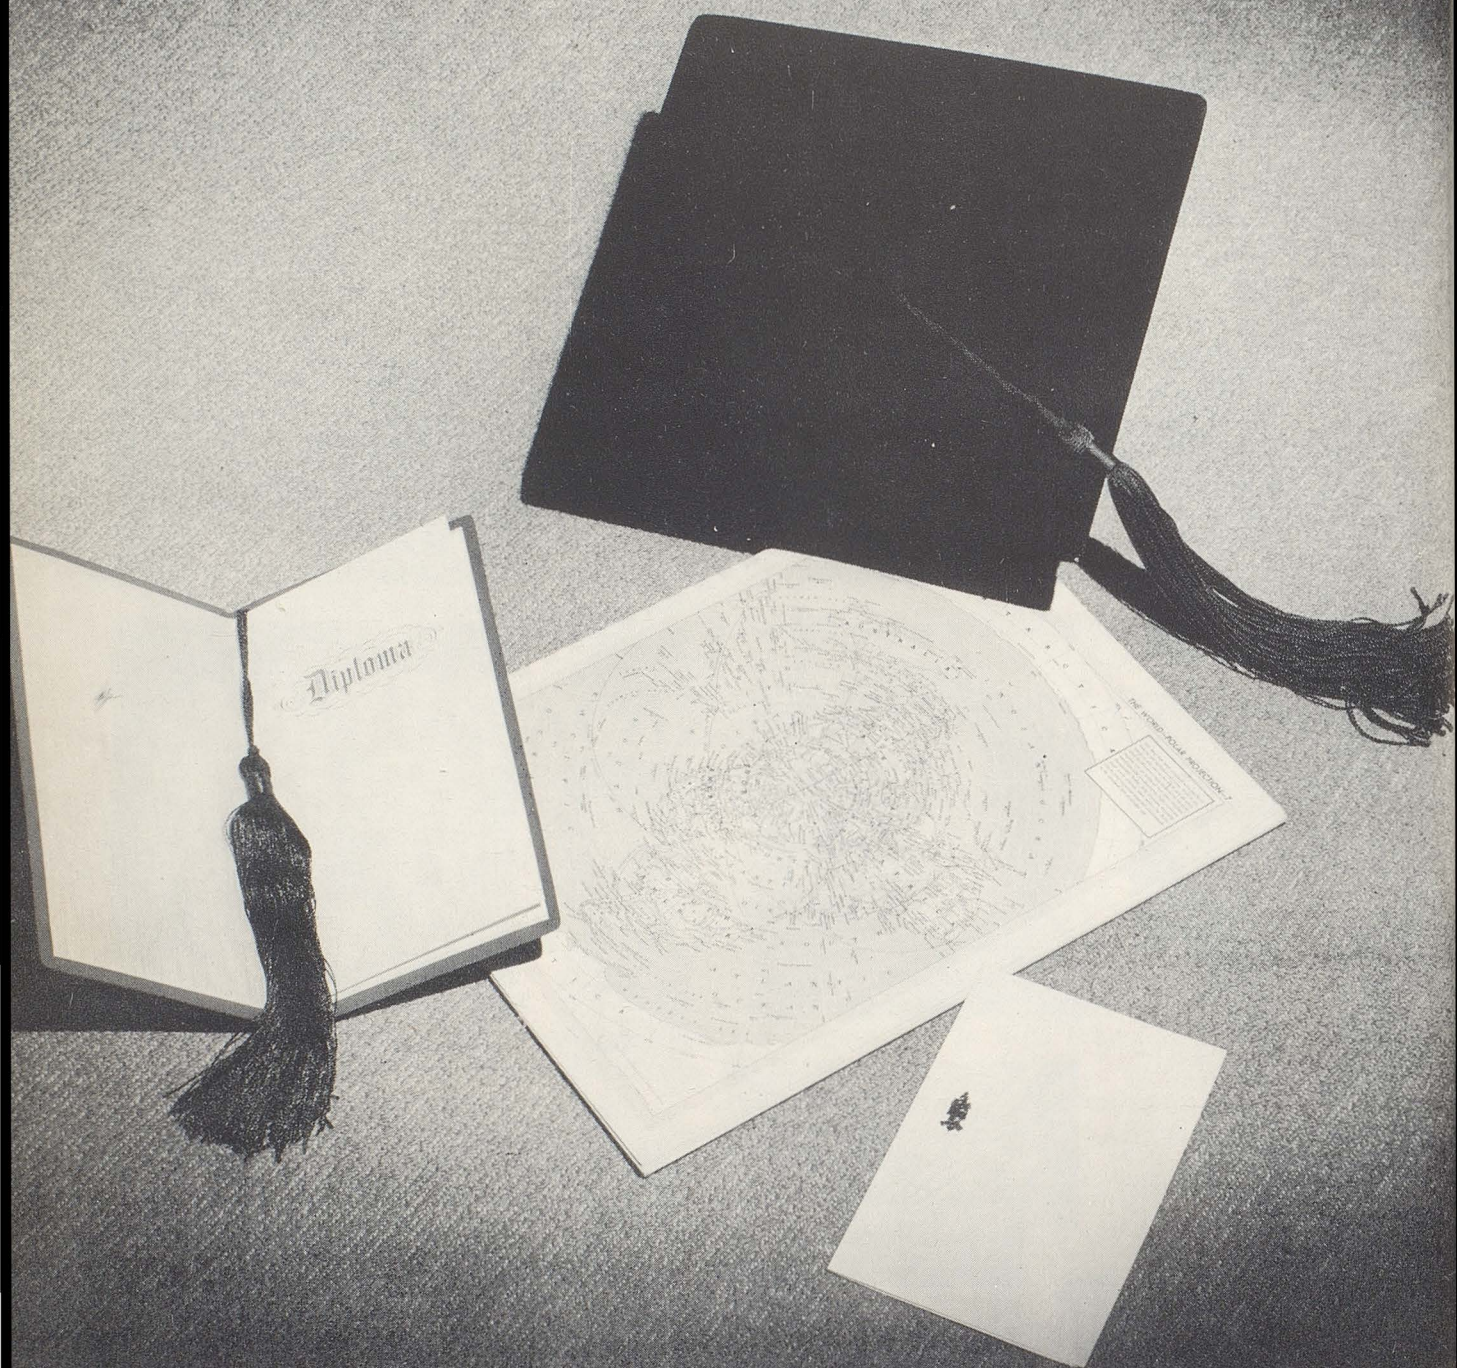

F. T. A. merit points are awarded for achievement. A merit point is earned by an hour's work on an F. T. A. project. These merit points may be added to those earned in college.

The Future Teacher's Pledge says the good teacher requires: Physical vitality, mental vigor, moral discrimination, wholesome personality, helpfulness, knowledge and leadership.

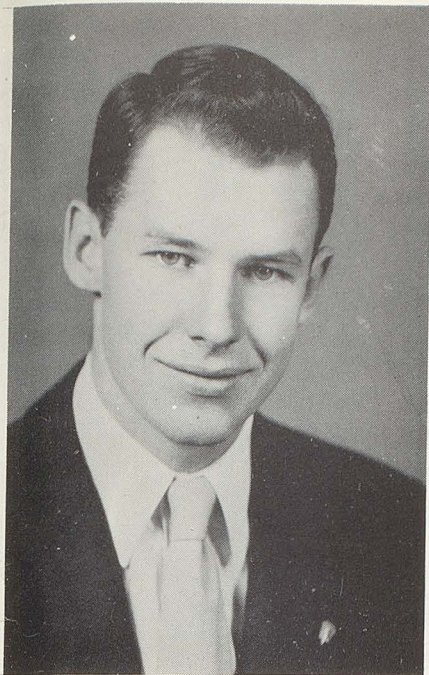

"These things will I do now that I may be worthy of the high office of teacher!"

This is the first of such clubs at Plainfield and although it has been in existence a short time the F. T. A. is proving to be a very active and worthwhile organization.

CLASS HISTORY

1942-1954

In September, 1942, just twelve short years ago, we, the class of 1954, entered the halls of Plainfield Grade School to embark on the vast knowledge open to us.

Our first grade teachers were Mabel Ellis and Mabel Boone. The remaining graduating members are Roger Castetter, Donald Groninger, Richard Hall, Geraldine Johnson, Marilyn Johnson, Donald Kennedy, Nancy Koho, Rollis Lon, Glen Miles, Janet Moon, Patsy Newlin, Richard Pierce, Jerry Pike, Jane Shrake, David Spencer, Marsha Stedman, and Jim Tague.

During the second grade we gained Joan Lewellen, Marjolan Kellam, James Copeland, and David Owens. Bob Bare enrolled but withdrew during the 6th and 7th grades. Jon Reeves was with us all through except the fourth grade.

The end of the third year found us, plus Marilyn Burns, Bob Durell, and James Ward.

Marlene Hedrick and Sheldon Houston entered during the fourth grade.

David Weddle joined us during the fifth grade.

In the sixth grade half of the class was moved to Junior High School. Doris Ford and Barbara Whitaker were enrolled.

The seventh grade found us all together again and Ruth Craig honored us by being our sponsor through Junior High. Thomas Calbert, Martha Hayden, Marlene Turner and Sharon Lynch joined our ranks in the eighth grade. We were looking forward eagerly to the coming four years.

August 28, 1950, we found ourselves at the portals of frolic, learning, and trying not to be too hard on the teachers. As our officers we chose: Jerry Curtis, president; Bob Durell, vice-president; Dick Hall, secretary, and David Spencer, treasurer. Mr. Albright was appointed our sponsor.

The freshmen G.A.A. members sponsored a square dance and made a big success of the project. Our freshmen football team earned high praise and recognition. Our freshmen basketball team carried home the Mid-State Conference Basketball Tourney Trophy. Marlene Turner and Sharon Lynch were cheerleaders.

Bill Kniesly and James Masten entered the class as freshmen.

Our sophomore officers were Janet Moon, president; Jim Ward, vice-president; Nancy Koho, secretary, and Judy Tipps, treasurer. We sponsored the movie, "Saturday's Hero", and Jane Shrake was Football Homecoming Queen.

Loretta Holzknecht joined us this year.

In the junior year our class officers were: Roger Castetter, president; Barbara Whitaker, vice-president; Jane Shrake, secretary, and Patsy Newlin, treasurer.

New members were Neil Alexander and Patsy Poe.

Early in the year we ordered our class rings and pins and sold magazine subscriptions. We presented our junior play, "Down to Earth". The rest of the year we kept busy with money-making schemes. We sold concessions during the noon hour and at all home basketball and football games. Barbara Whitaker was Homecoming Queen for football.

Of course, all this work was leading to the annual Junior-Senior Reception which took place May 15, 1953, in the Marble Room of the Marott Hotel. With this grand affair we concluded the activities of our junior year and looked eagerly forward to our big year as seniors.

Roger Castetter, president; Don Groninger, vice-president; Patsy Newlin, secretary, and David Spencer, treasurer, were chosen for the class officers our senior year.

New members with us were Shirley Liston, Martha Pratt, and Judith Worrell.

Since we had decided to publish an annual, we immediately settled down to work by choosing Porter's National Studio as photographers for the annual and also for our senior pictures. Janet Moon and Barbara Whitaker were appointed as Editor and Co-Editor, respectively, for the annual, which was named THE PLAINSMEN. We voted, on condition, to dedicate the annual to our sponsor, Mr. Albright, in a small effort to show our appreciation for all he has done for us during our high school days.

We gave our play at the first of the year. Mrs. Betty Niles, did a superb job of directing "Hillbilly Weddin".

During the holiday season we sponsored a Mid-State Conference Dance at the Public Service Auditorium, which was a carry-over from each conference school's Homecoming.

Then, ending procedures began. The P.T.A. honored us at one of their meetings. A reception was given us by the junior class at the Skyland Lodge in Spencer on May 14. The baccalaureate service, May 16, was held with the Rev. S. F. Cook delivering the message. Classnight was held May 18, when the members received their due awards. Commencement was the following Thursday night, May 20. The President of Ball State Teacher's College, John R. Emmens, delivered the message. Our goal attained, and our diplomas in our possession, we were made Alumni on Saturday evening, May 22.

At two o'clock Sunday, May 23, we set out on our trip. We visited Valley Forge, New York City, Niagara Falls, and Detroit.

We are very proud of our class and the many activities in which we have participated while in high school. We have had many active members and officers in all of the clubs. We have taken part in band and chorus and have had many outstanding students in both fields. We are proud of our classmates who have participated in all types of athletics while in high school.

Truly, we're proud to say, "We're the Class of 1954!"

CLASS PROPHECY

Dear John:

I hear the class of '54 of Plainfield High School is having a reunion. From what I hear they're going to have it at the famous Plainfield Athletic Club owned, of Course, by "Crosscorner" Castetter. As everyone knows Mr. Castetter also owns "Beano's Place", formerly the C&E Drugs. One of the class-members attending has just returned from a world hot-rod tour in his famous Pink Lady. We're talking about "Hot Petunia" Long.

All of the other members have gone out on their own and are living very successful lives. Neil Alexander heard the call of "Go west young man, go west", so he went NORTH. We heard that Bob Bare is head custodian at Indiana Boys School and that Joan Lewellen is now district manager of Krogers. Also somebody said that they had seen Tom Calbert in a hardware store the other day still looking for a left-handed paint brush and some striped paint.

Jim Copeland just bought out the Plainfield Block factory, fell in a vat of cement and they're still chipping him out of it.

I heard that Bob Durell was very happy over his promotion to chief engineer of rockets at the Easy-Pop-O Firecracker Company. Don Groninger is water boy in chief of the Cartersburg Creeps. He's too small to play football afraid he'd get hurt. Boretta Holz knecht is starting fullback for the gallant Creeps.

Dick Hall is the nation's worst orthopedics doctor and married inmate Sharon Lynch, Central No. 0000.6. The ceremony took place in Cell 17.

Bob Harvey is chief barker for the Bunglung sisters Circus. Also starring in the circus is Nancy Koho and Her Flying Fleas. Marlene Hedrick has become world-famous as Studebaker's grease-monkey.

David "Dillinger" Owen and Sheldon "Capone" Houston are still terrifying the south side of Belleville by soaping windows.

Marjolane Kellam also heard the call for "Go west, young man, go west", but as a woman would she went too far west and fell in the Pacific Ocean. Don Kennedy owns a wrecker service that specializes in pushing 1939 Oldsmobiles. Jim Masten has attained his long awaited goal as Fire Chief of the metropolis of Plainfield.

Glen Miles is in his eighth year as President of Vassar College and Janet Moon is chief chimney sweeper for her father's furnace business.

Jim Ward is working El Rocko Rocket Plant putting turn signals, mud flaps and rear view mirrors on space ships. Bill Kniesly is leading the revolution between the North Ubangis and the South Ubangis in Argentina.

Dick Pierce is a die-hard. He failed to get his flying license so he spends his time jumping out of trees with umbrellas and throwing rocks at airplanes. Bill Plunkett is still working at the Prewitt Theater as a midget walking under the seats and picking up paper.

Jim Tague is still playing the field with his dates, He has a babe lined up in Belgian Congo for Saturday night.

David Spencer, that famous Romeo, finally made a world hit by cracking a smile in his latest movie, "The Mad Lover". Marilyn Burns has just starred in her latest movie, "Sister of Lassie."

Art Snodgrass was voted the nations hog-caller most likely to succeed and Martha Hayden just won the National Spit-toon Spitters Championship. It was the third straight year that Miss Hayden took home the crown.

Jerry Lou Johnson just bought the Triple "R" Bar Running Rat Ranch in Raccoon County on the Red River. Doris Ford has the world re-nowned job of putting the curl in pigtails and pig's tails.

Marilyn Johnson has been named the champion cigar-smoker of Lower and Upper Slabovia. Barbara Whitaker is still working at her life's ambition of rubbing spots off the leopards. Jerry Pike is well satisfied with his new job as overlooker of the Empire State Building.

David Weddle has joined the Foreign Legion as a carpenter and is in charge of contracting outhouses in the Sahara Desert. Marlene Turner is chief test-pilot for witches-brooms and also has perfected radar for her own personal broom.

Bobbi Porter has returned to the Union (Northern Gasburg) because the authorities found her "whiskey still" in operation in Southern Gasburg. Patsy Poe married a twelve foot giant and settled down.

John Reeves just won the 500 mile race in his super-charged Crosley V-2. Martha Pratt is now making a success growing African Violets in South America while her dear friend, Judy Worrell, is a pansy grower in Northwestern Antiartica.

Jane Shrake and her husband are now the world's champion tag-team wrestlers, while Marsha Stedman manufactures hose for bow-legged women. Shirley Liston is now Mayor of Brazil and last but not least is Patsy Newlin. Poor Pat is still a student at P.H.S.---reason she's never recieved her diploma because she hasn't paid her Freshman Class dues.

LOVE,

Sam

ANNUAL STAFF

The Senior Class decided unanimously at the end of its Junior year to publish an annual which would contain all the memories, trials, good times, and fun that the students experienced during school years. The following students were given the responsibility of getting it underway: Editor, Janet Moon; Assistant Editor, Barbara Whitaker; Sports Editors, Don Groninger, Dick Hall, Sharon Lynch, Loretta Holzknecht; Business Manager, Patsy Newlin; Literary, Nip Long, Bill Kniesly; Advertising Manager, Roger Castetter.

The class officers decided the cover design should be in the class colors, green and gray, with a picture of a tree on the right hand side. The annual was benamed "The Plainsman."

The class extends its appreciation to its sponsor, Mr. Ivan Albright, and to its many advertisers, teachers, and organizations which have made this memory book a book to treasure always.

The National Honor Society, Chapter 2240, was organized in 1940. Opportunity for membership comes from the upper third of the class in scholarship. The four cardinal points for election to membership are scholarship, leadership, character and service. The national ruling is that never more than twenty-five per cent of a graduating class may become members. The society has had a busy year under the direction of its officers, Don Groninger, Barbara Whitaker, Sherry Lynch, David Spencer, and its sponsor, Mrs. Madge Masten.

As a money-making project the Society holds a Sample Fair annually. Money from this project helps to finance the National Honor Society Girard Math Award, which was established in 1947 as a memorial to Mr. J.P. Girard, a former principal, and a revolving Scholarship Loan Fund. The Girard Award is made annually to the senior who has maintained the highest average in mathematics during his four years of high school. The Loan Fund is again available to any worthy senior this year.

STUDENT COUNCIL

The 1953-54 year proved to be both successful and eventful for the P.H.S. Student Council under the leadership of Roger Castetter, President; Patsy Newlin, Secretary-treasurer; with Mrs. Masten and Mr. Gwin, Sponsors.

The council's membership consisted of four representatives from each class, making a total of 16 members.

The council this year paid half the price of the new turntable for the Communication System. They sponsored a Home talent Show for the Polio Fund. The council provided noon hour activities and bought new records. They purchased a table and numerous gifts at Christmas for the Old Folk's Home.

The council also contributed much to the school through the planning and carrying out of a 'School Spirit Week.' This promoted better all-around school spirit among the students.

The Plainfield High School Sunshine Society began its sixteenth year with the opening of school last fall, under the leadership of Janet Moon, president; Marilyn Moore, vice-president; Marjolane Kellam, secretary; Patty Herringlake, treasurer; Mrs. Sanderson, sponsor and Miss Newlin, co-sponsor. Thirteen girls were initiated in the traditional candle light ceremony December 3, 1953, at the high school.

Springtime was marked by the outstanding social event of the year. The occasion was the very delightful reception, which is given annually to honor those whom the Sunshine Society girls have chosen as their Ideal Ladies.

During the year, the members have tried to spread cheer and happiness by visiting and sending cards to the sick and by remembering those who are sad and lonely. One of the annual projects has been a visit to the Hendricks County Home, where a program is given and gifts are distributed to the men and women there.

Some of Plainfield most intending and enthusiastic girls make up the membership of the F.H.A. This year there are active members. We are again fortunate in having a state officer in our group; Nancy Koho is the state F.H.A. Historian.

Our programs have been varied and interesting this year some of the outstanding ones have been, the United Nation program, demonstrations on flower arrangements, gift wrapping, a talk by an entomologist on household pests, and a program about civil defense.

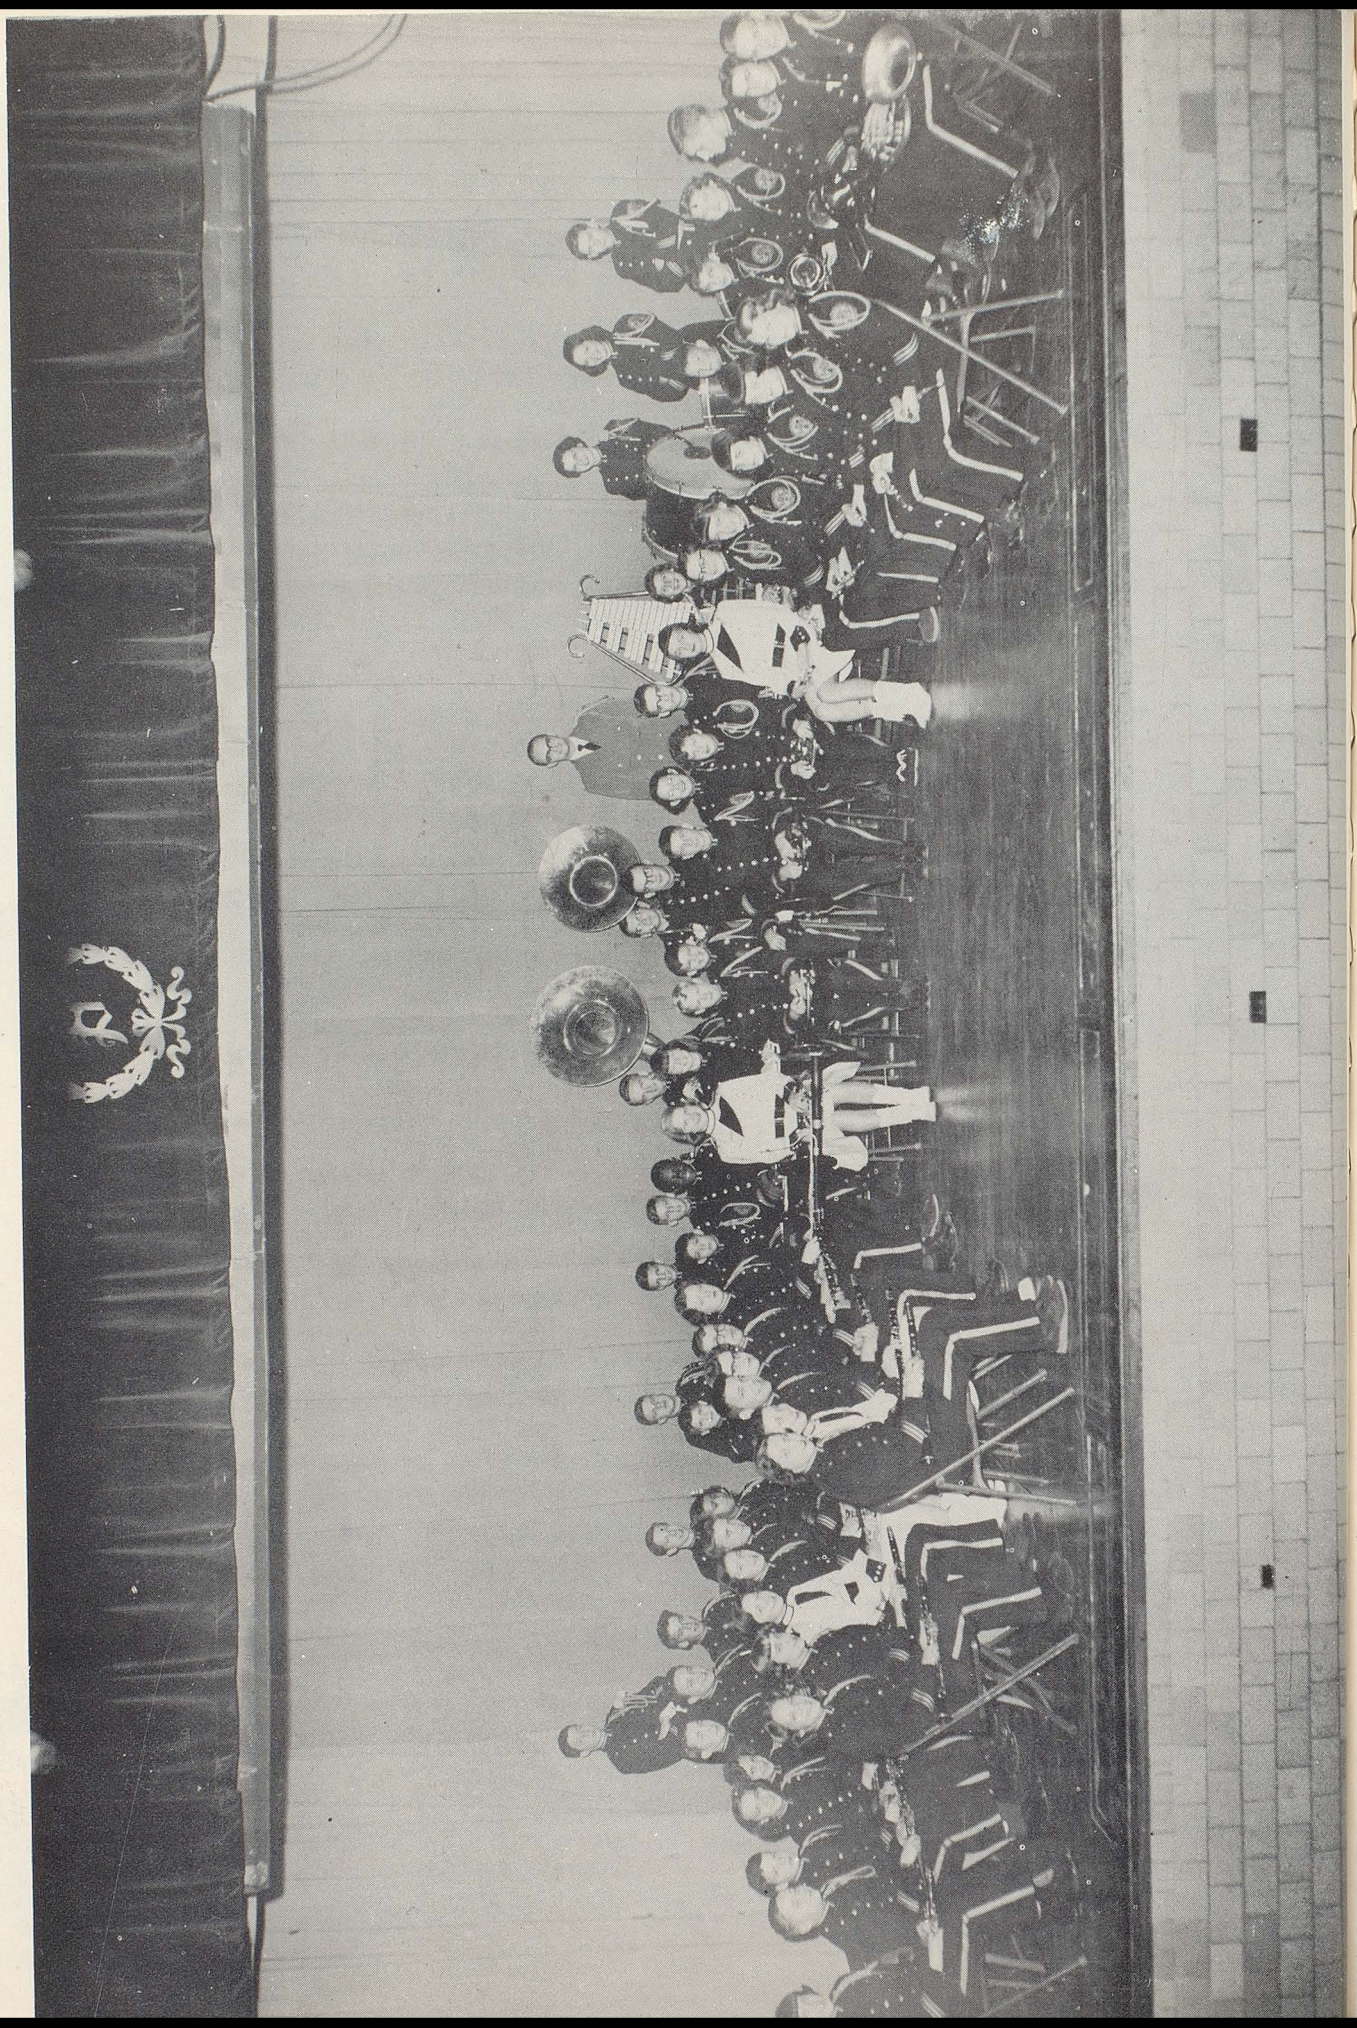

Social functions have been many and varied with the Fall Prom in November, Christmas parties, tea for incoming freshmen, and our Spring Dance.

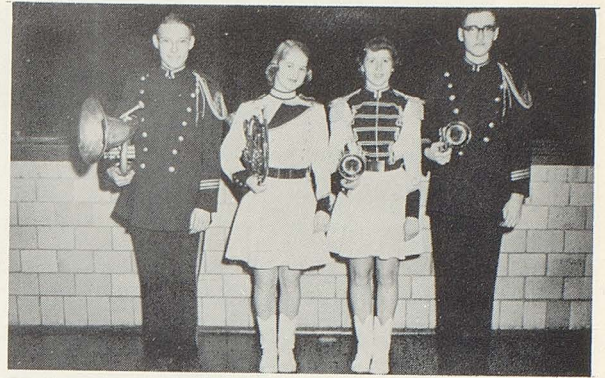

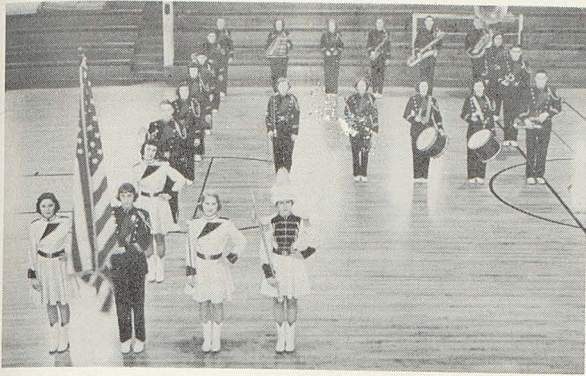

Money making scheme for the year have included a "work day" for the Halloween Carnival.

Donations to foreign homemakers have been made by our club through the purchase of UNESCO stamps.

Our Chapter Mothers are Mrs. Robert Whitaker and Mrs. Robert Stewart. Bobbie Ann Thompson, last year's president, is the chapter sister for 1953-1954.

G.A.A.

The Girls Athletic Association was started in Plainfield High School in 1948 and has always had a large number of interested supporters. All girls are eligible to join the membership is now.

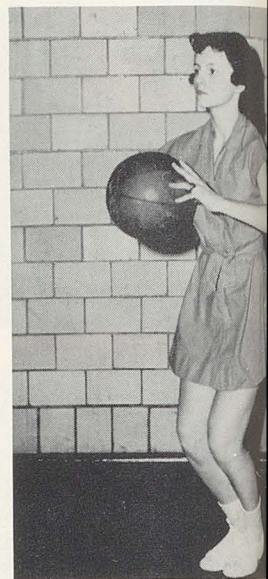

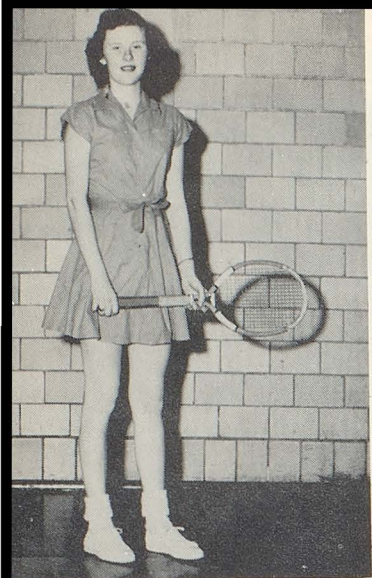

The Plainfield girls participate in many playdays and sportsdays throughout the year. This enables them to become acquainted with girls from other schools in athletic activities.

On December 12, 1953, a sportsday was held at Plainfield. The girls played volleyball by school teams, basketball by color teams, and gymnastics by individuals. There was also another sportsday held February 13, 1954. Other activities are clinics, state and district camps, and sport nights.

The officers this year were president, Patsy Newlin; vice president, Jane Shrake; secretary, Nancy Kellum; treasurer, Sherry Lynch. The sponsor is Mrs. Frazier.

Probable sweater winners this year are Nancy Koho, Jane Shrake, Marlene Hedrick, and Patsy Newlin.

OPERATION BIG PUSH

QUAKERS IN ACTION!

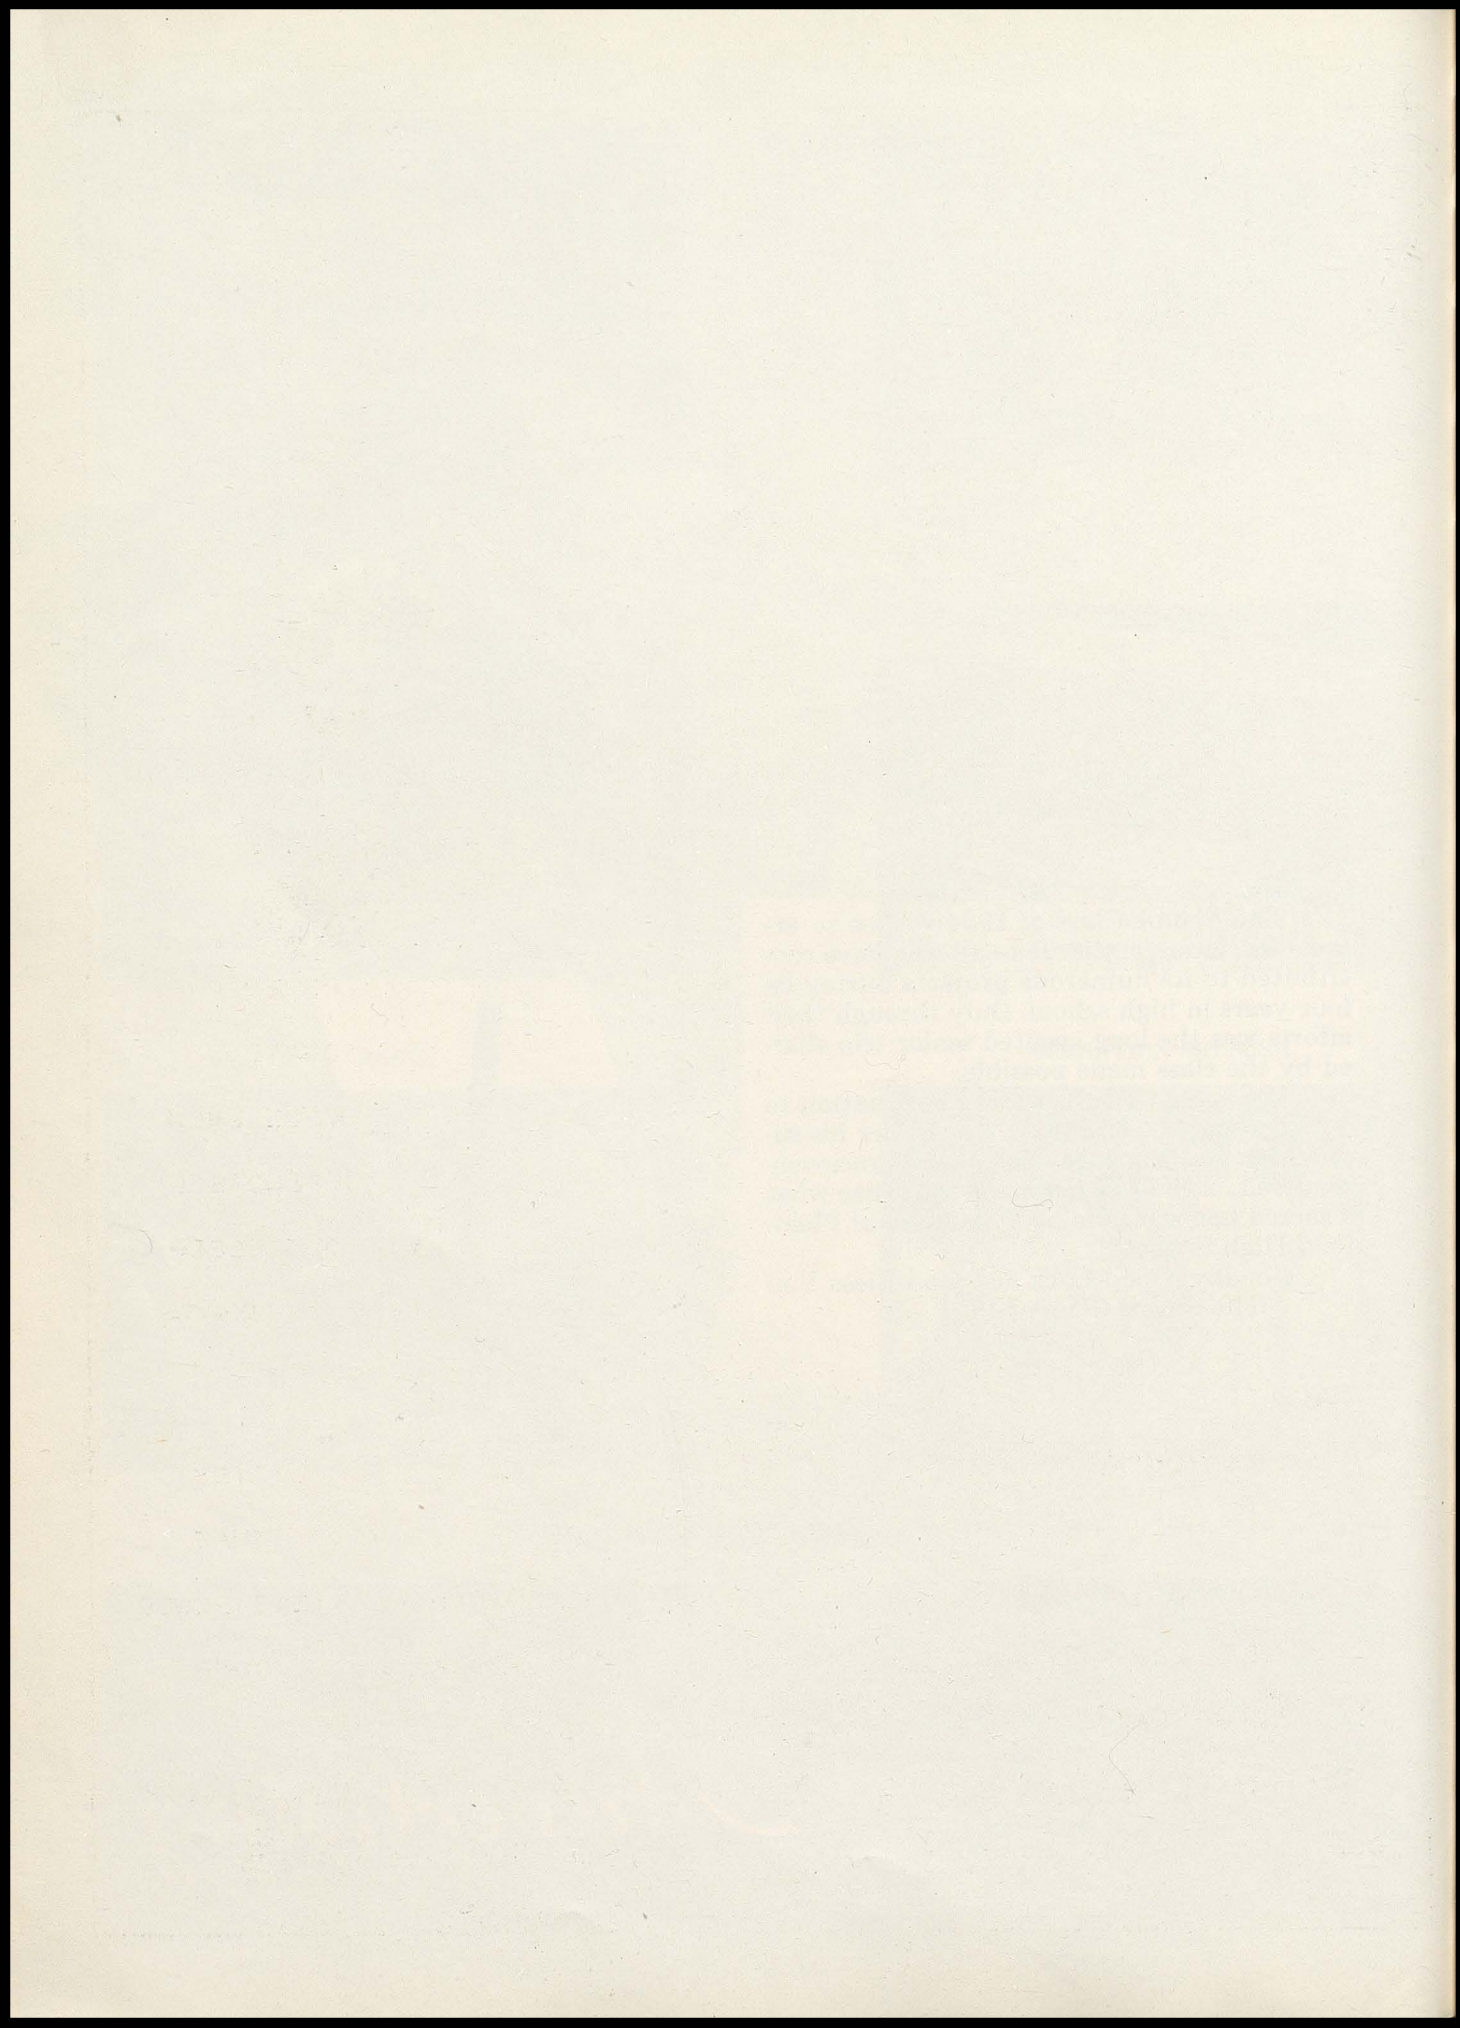

The Senior Class of 1954 wishes to express its sincere gratitude to all who have contributed to its numerous projects during its four years in high school. Only through their efforts was the long awaited senior trip shared by the class made possible.

We extend our heartfelt appreciation to our sponsor, Mr. Ivan Albright. Under his supervision and guidance which he so graciously rendered, each of us has come to realize what a sacred honor it is to be a graduate of Plainfield High School.

Goodby, Good Luck and God Bless You
The Senior Class of 1954

This is It!

GRADUATION DAY IS AN IMPORTANT DAY IN THE LIFE OF EVERY YOUNG MAN AND WOMAN. FOR, AS A HIGH SCHOOL GRADUATE, YOU STAND ON THE THRESHOLD OF A BRIGHT FUTURE--MADE EVEN BRIGHTER BY THE FACT THAT AN AMPLE SUPPLY OF DEPENDABLE ELECTRIC POWER WILL ALWAYS BE AVAILABLE. WITHOUT ELECTRICITY IN THE PICTURE, YOUR CHANCES OF SUCCESS IN WHATEVER THE CAREER OF YOUR CHOICE WOULD BE SLIM INDEED.

AS YOU KNOW, WE ARE CONSTANTLY EXPANDING OUR FACILITIES TO MEET THE GROWING NEEDS OF THE AREA WE SERVE. THAT MEANS THERE WILL ALWAYS BE MORE THAN ENOUGH ELECTRIC POWER TO HELP YOU SUCCEED NOW, AND IN THE YEARS AHEAD. CONGRATULATIONS TO YOU, AND BEST OF LUCK!

BEST WISHES CLASS OF 1954

Graduation time opens up new avenues of experience. Carefree schooldays will be replaced with vacations for some . . . and then into the business world, or perhaps the armed service . . . Wedding Bells will be ringing soon for many and new homes will be established. MILESTONES . . . all of them. May we suggest that you always preserve the milestones in your life with professional portraits so that in the years to come, your family album will permit you and your loved ones to relive in memory, the occasions that make your TODAY'S so meaningful. The Best to each one of you always, Class of 1954.
