Instructions for using Freading on Apple mobile devices

Freading is a collection of ebooks, You can borrow **3** titles a week. If you don't use all of your borrows, they will roll over to the next week, for a maximum of 4 weeks.

Loan period: 2 weeks or 3 weeks (depending on the title)

The Freading app can be installed on:

- Android mobile devices
- Apple mobile devices
- Amazon Kindle Fire tablets

How to set up Freading:

1) Go to the Apple app store and search for the Freading app (it is free). Download and install it.

2) When you open Freading for the first time, it will ask you to search for your library. In the zip code field, enter "**46168**," then click the gray button that says "Find Library". From the search results, select **"Plainfield-Guilford Township Public Library".** You will then be taken to the homepage for the library's collection, with the library's logo appearing at the top of the page.

3) On the right side of the page it will say "**Sign Up**." Where it says "Card Number," enter your Plainfield library card number. Then where it says "Please enter your new account information," type in your e-mail address and create a password that fulfills their requirements. Where it says "Confirm Password," enter the password again, then click the gray button that says "Sign Up". You will then see a screen asking you to "Confirm your Sign Up".

4) Check your e-mail account for a message with the subject line "**Freading.com Account Verification Code**" (you may need to check your spam folder). Enter this verification code on the confirmation screen in the Freading app and then click the gray button that says "Verify".

5) The Freading app will say "Your email verified successfully. Please login with your details". On the left side of the screen, where it says "Sign In", enter your e-mail address and password, then click the gray button that says "Sign In".

6) After you are signed in, you will see the options for your account, including how many borrows of your weekly limit you've already used (for example, 0/3).
