Using Kanopy on Apple TV

Plainfield-Guilford Township Public Library
Kanopy is a collection of movies. Each month you can borrow a total of 10 items. Items are automatically returned at the end of their loan period.

Loan period: 3 days

Kanopy can be used on:

- Android mobile devices
- Apple mobile devices
- Amazon Kindle Fire devices
- Desktop or laptop computers (Windows, Mac and Chromebook)
- Streaming media players (Roku, Amazon Fire TV, Apple TV)

How to create a Kanopy account:

1) On a computer or mobile device, open a web browser and go to **www.kanopy.com**

2) Click the orange "**Get Started**" button.

3) Click the orange "Find Your Library" button. Search by zip code **46168**. From the search results, select **Plainfield-Guilford Township Public Library**. Click the orange "Select This Library" button to confirm.

4) Enter the number that's on the back of your Plainfield library card and click the orange "Continue" button.

5) Enter your name, e-mail address and password, then click the orange "**Sign Up**" button.

6) Check your e-mail account for a message from Kanopy (you may need to check your spam folder). Click the link in the message to verify your e-mail address.

How to set up Kanopy on your Apple TV:

1) Go to the Apple App Store. In the menu bar across the top, click on the Search icon. Find the Kanopy app (it is free) and download it.

2) When it has finished installing, open it. Click the "Log In" button.

3) On your computer or mobile device, open a web browser and go to **www.kanopy.com/link**
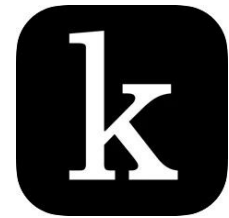

Enter the link code that you see on your Apple TV's screen, then click the orange "**Link Device**" button. You will see a message that your device has been linked successfully.

4) Return to your Apple TV and begin using Kanopy.
