Using Kanopy on Amazon Kindle Fire devices

Plainfield-Guilford Township Public Library

Kanopy is a collection of movies. Each month you can borrow a total of 10 items. Items are automatically returned at the end of their loan period.

Loan period: 3 days

Kanopy can be used on:

- Android mobile devices
- Apple mobile devices
- Amazon Kindle Fire devices
- Desktop or laptop computers (Windows, Mac and Chromebook)
- Streaming media players (Roku, Amazon Fire TV, Apple TV)

How to set up Kanopy:

1) Go to the Amazon Appstore and find the Kanopy app (it is free). Download and install it.

2) Open the Kanopy app. If you already have a Kanopy account, click the "Log In" link and enter your e-mail address and password; otherwise, click the orange "**Sign Up**" button.

3) Enter your name, e-mail address and password, then click the orange "**Sign Up**" button.

4) Click the orange "Find Library" button. Search by zip code **46168**. From the search results, select **Plainfield-Guilford Township Public Library**. Click the orange "Select This Library" button to confirm.

5) Enter the number that's on the back of your Plainfield library card and click the orange "**Next**" button.

6) Check your e-mail account for a message from Kanopy (you may need to check your spam folder). Click the link in the message to verify your e-mail address. Then you can begin using Kanopy.

How to navigate Kanopy:

There is a menu (accessed by tapping the 3 horizontal lines in the upper left of the screen) to help you navigate Kanopy:

—**Home**—The homepage for the entire collection.

—**My Watchlist**—Items you've bookmarked.

—**Continue Watching**—Items you currently have checked out.

—**Movies, Documentaries, etc.**—Browse by subject.

—**Settings**—Has your account settings, including your library "membership".

NOTE: There is also a search icon in the upper right of the screen, where you can search for a specific item.

How to borrow an item:

1) Browse or search to find an item you want.

2) Click on an item to see its details. Click on the orange triangle (in the shape of a play button) to borrow it. It will automatically begin playing.

3) The number of your remaining borrows for the month will be updated in the upper right of the Kanopy screen.
