

How to participate:

Babies, toddlers, and preschoolers will complete 40 early lit activities and earn raffle tickets along the way!

What are the raffle tickets for?

Early literacy kids will earn raffle tickets as they progress with their early literacy activities, including 2 bonus tickets at completion! Those who attend any PGTPPL programs during summer reading (May 30 - July 14) will also earn one raffle ticket per program! Each ticket = one entry for our giveaway of gift cards for experience packages! All winners will be drawn the week of Monday, July 17, once SRC is finished. Winners will be contacted by email or phone to pick up their prize at the Children's Room Desk. Prizes must be claimed by August 31.

Activities:

READ Read to your child or count time they spend interacting with books!

WRITE Any fine motor hand skills count! Babies can grasp toys, toddlers can scribble, or kids can practice coloring or writing and it all helps build pre-writing skills!

SING Sing with your child!

TALK Not all babies and toddlers are talking yet. Count time spent talking to your child. Children learn verbal skills by listening!

PLAY Playing helps build so many skills for young kids! Any play time counts toward this goal.
