Post - Adjutant -

This is all records available up  
to my appointment as Adjutant -  
There is quite a vacancy in the record  
that should not have occurred - had  
the officers of the Post who served  
at that time properly performed  
their obligations - I do not say this  
in a spirit of censure - but I do  
feel that such a vacancy will  
show to future citizens - a negligence  
on the part of some one - in not  
learning to show a complete record  
of Virgil H. Lyon Post -
